

NEW “ROADMAPS” ON VTLAWHELP.ORG

**Helping Vermonters navigate some
common legal problems**

We've added five tutorials called “Roadmaps” to the statewide legal help website. They explain:

- asking the court for a Relief from Abuse order
- getting a divorce
- getting a security deposit back on a rental unit
- starting a small claims case, and
- appealing when you are denied disability benefits from Social Security.

The Roadmaps feature step-by-step directions and short videos.
